**Don't have a car but want to check it out? PLEASE do!** Come and check out the tracks, the cars, the controllers, etc. That is how I (Vince) got started. I showed up with NOTHING and was able to spend time on the track. Now that I have a few cars and a spare controller I would LOVE to pass the experience on to some one new. PLEASE visit! Call Gil or me [vince] (636-861-2101) for information or directions!
